

## TAP Mobile has arrived.

All cleaned up and ready to go, TAP Mobile has officially arrived.  
(This release will affect Android users, with IOS coming soon!)

Now, your day-to-day tasks are made more convenient and efficient by:

- All market reports found on a single page (if managing multiple markets)
- No more downloading of stores
- No more training your team on complicated steps
- Simply complete your survey and move on

If you need additional help, we have created a [brief tutorial](#) to get you started, along with even more resources!
