

**Accounts Receivable Platform App**

- All the basic AR tasks in one easy-to-use portal
- Collect your well earned AR faster and more efficiently!

**sbisoftware**

The Accounts Receivable App allows you to perform all your basic AR tasks in one easy-to-use portal. More importantly it will help you ***collect your well earned Accounts Receivable faster and more efficiently.***

## What to expect

How exactly will this update help to improve your business?  
Accounts Receivable will allow you to:

- Review all Customer Balances on one screen
- Receive payments received and reconcile outstanding credits or debits on a customer's account
- Request Payments or Prepayments on Posted Invoices or Open Orders
- Review AR Aging and Payment History

The Accounts Receivable App will be live on your platform  
**Wednesday, April 5th.**

## We're here to help

Change can be scary, so we'd like to remind you that we're here to help 24/7, 365 days a year.

We have **NEW extended hours** for live chat! You can now chat one-on-one via [Live Chat](#) 9amET/6amPT - 8pmET/5pmPT.

We are also available for continual support through the platform. Simply create a case or submit an emergency via [Client Tool](#).
